

1) FILL IN THE FORM

Once you have contacted us, you must fill in the form that we will enclose in full. A specialized team of three people will read and analyze your document. Once it has been approved, we will contact you to tell you that you can continue with the procedure. PLEASE, FILL IN IT ONLY IF YOU ARE GOING TO GO SAFELY TO CHAZON. If you are not sure yet, nothing happens for you to do it later, but remember that it is mandatory that it has been approved in order to be able to accept you as volunteers.

2) HIRE TRAVEL INSURANCE

If you do not have any travel insurance, you have to look for one that will cover your basic expenses in the event of an accident or repatriation. Generally, for a low price, you can find some with very good condition.

Once you have it, you must send us a copy of the insurance policy through the email address volunteers@chazonafrica.org

If you have private health insurance in Spain (Adeslas, Sanitas, etc.), these companies generally offer travel insurance within their already contracted policies. In that case, you just have to send us a copy of your card from the health company to which you belong.

3) SEND PHOTOCOPY OF THE PASSPORT

4) CERTIFICATE OF CRIMES OF SEXUAL NATURE

For more information on how to obtain it, check on your countries Ministry website:

5) LIABILITY DOCUMENTS

We will send you two documents, about your and our responsibility once you are in Kenya, which you must read carefully and sign. Once you have them signed, you must scan them and send them to us via chazonkenya@chazonafrica.org. You can sign them electronically.

6) PURCHASE OF THE FLIGHT

The last step would be to buy the flight from you and send us a copy of the reservation to the previously specified email address.

IMPORTANT: Until we have received all the previously specified documents, your reservation will not be made.
